# Almat Daumov, Partner of GRATA International will speak at the MINEX Eurasia Conference 2022

The 10th MINEX Eurasia Mining Conference will be held on **28th November, 2022** in London and will be broadcasted online.

This event attracts the experience of over 30 industry experts, senior officials and companies who will discuss the changes, challenges and opportunities in the mining industry in Kazakhstan, Uzbekistan, Mongolia, and mining hotspots in Europe.

**Almat Daumov**, Partner at GRATA International Kazakhstan will speak in the 1st session on geopolitics and its impact on the present and future of mining in Kazakhstan, Uzbekistan and Mongolia, particularly on "**Kazakhstan: facilitation of investment in mining industry**".

The conference offers an opportunity for the presentation of investment projects and changes in the FDI policies aimed at the development of mining hotspots across the Eurasian continent.
