# GRATA Azerbaijan become a head of Construction and Infrastructure WG of AHK Azerbaijan

On February 15, 2022 the Kick-off Meeting of the Construction and Infrastructure (C&I) Working Group of AHK Azerbaijan in cooperation with GRATA International, Azerbaijan will be held.

Time: **11:00 - 12:30 (Baku time).**

Venue: **Hyatt Meeting & Conference Centre, Baku Room.**

At the meeting, the member companies will collect the inputs and opinions, carry out a general review of the construction and infrastructure sector in Azerbaijan and determine the current challenges faced by member companies and to discuss the next joint steps. The main objectives of the Construction and Infrastructure Working Group, key topics and suitable dates for the upcoming meetings will also be discussed during the meeting.

The main aim of the activities of Construction and Infrastructure Working Group is to address the key challenges of the construction and infrastructure industry, including sustainability, human capital, health, safety and security practices, legislative framework as well as to enhance the exchange of knowledge and expertise, to hold informational events on key topics in the field and to strengthen communication with relevant government agencies.

The agenda of the meeting is [here](#).

The meeting will be held in Azerbaijani and will be translated into English.

The participation is *for AHK members only and free of charge*.

**To participate please, register** for the event by sending an e-mail to [khagani.gasimov@ahk-baku.de](mailto:khagani.gasimov@ahk-baku.de) including your full name, position and contact details until 14 February 2022.
