GRATA International Azerbaijan will hold a webinar on Doing Business

An online webinar on Doing business in Azerbaijan will be held on the 3rd February, 2022.

Azerbaijan is a state with a well-developed industrial sector. Industrial output accounts for almost 60 percent of GDP.

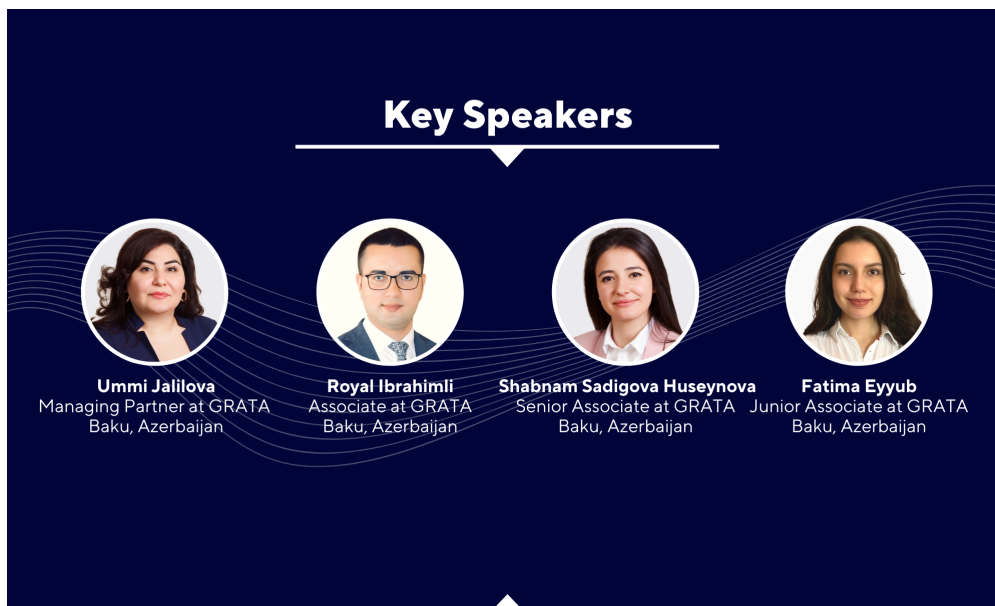

The country has the richest reserves in oil and natural gas, concentrated directly in the Caspian Sea. There are also deposits of iron ore, several mineral resources, etc.

At the moment, Azerbaijan is one of the most attractive countries for doing business. The economy of this country is developing quite actively and is favorable for business.

Regarding doing business, as in many areas, clear and comprehensive planning is the basis of any business.

In this regard, at the webinar, leading lawyers from the Baku office of GRATA International will cover the requirements from the corporate, labor, migration, and tax points of view of doing business.

Speakers will be: Ummi Jalilova – Managing Partner, Shabnam Sadigova Huseynova – Senior Associate, Royal Ibrahimli – Associate, Fatima Eyyub – Junior Associate of GRATA Azerbaijan.
