GRATA International together with the British Chamber of Commerce in Kazakhstan and the Petrocouncil will hold a business breakfast in Atyrau

Dear Partners,

GRATA International together with the British Chamber of Commerce in Kazakhstan and the Petrocouncil are pleased to invite you to a business breakfast to discuss issues in the field of environmental legislation. We will have the opportunity to exchange experiences and meet professionals in the industry.

[Leila Makhmetova](#), Partner at GRATA International, will highlight the issue that is highly important for a Western Kazakhstan: the responsibility of companies for environmental violations, including legal regulation and practical recommendations.

Leila, Ph.D. in Law, has 25 years of experience in environmental regulation, besides the work in consulting, her experience includes working as a legal expert at the Institute of Legislation under the Ministry of Justice of the Republic of Kazakhstan.

We will be pleased to see you at our breakfast!
