GRATA International will hold a seminar **Doing Business in Uzbekistan**

The Republic of Uzbekistan is a state that is following the path of building a socially oriented market economy. Uzbekistan is rich in such minerals as gold, copper, uranium, coal, natural gas and oil.

Many citizens of not only Uzbekistan, but also other countries are interested in starting their own business. The crisis triggered by the COVID-19 Pandemic has had a strong economic impact on businesses in many countries, including Uzbekistan. Despite this, today business in Uzbekistan is gradually beginning to recover.

Therefore, we invite you to take part in the seminar on Doing Business in Uzbekistan, which is held by the GRATA Tashkent office in cooperation with the European Business Association in Kazakhstan.

Date: **3 June (Thursday), 2021.**

Time: **16.00-17.30 (Nur-Sultan time).**

During the seminar experts will speak about the following topics:

1. Tax system
2. Guarantees to foreign investors
3. Attracting foreign labor
4. Free economic zones
5. Licenses and permits
6. The judicial system

The seminar will be held in English (without providing an interpreter).
