GRATA International Kazakhstan will host a webinar: Current practice of the tax authorities on the taxation of non-resident income and the application of the concept of "a permanent establishment"

On **June 22, 2022**, an online seminar on the topic: **The current practice of the tax authorities on the taxation of non-resident income and the application of the concept of "a permanent establishment"** will be held.

Time: **12.00-13:30 PM (Almaty time)**.

Participation: **free**.

Speaker – **Assel Ilyassova, Partner of GRATA International, Kazakhstan.**

The webinar will discuss the issues of the current practice of the Kazakhstani tax authorities on:

- ▶ application of the concept of "a permanent establishment";
- ▶ taxation of income of non-residents who have a registered permanent establishment in Kazakhstan.

The webinar may be of interest to: accountants, tax managers (specialists), financial directors, lawyers.
