GRATA International law firm is taking part in the MINEX Kazakhstan Forum 2022

The MINEX Kazakhstan 2022 Forum and Exhibition will be held in Nur-Sultan on **6-7 April 2022** in a hybrid format offering offline and online participation options.

Venue: Nur-Sultan, «Radisson Astana» hotel.

The MINEX Forum is one of the most influential mining events in the Central Asia. Every year, the Forum brings together over 400 leaders from the national and international mining and exploration companies, ministries and other governmental organisations, investment funds and banks, service companies and equipment manufacturers.

MINEX Kazakhstan Forum is organized by ТОО «Горный Форум» (Kazakhstan), ООО «ГПФ МАЙНЕКС» and Advantix Ltd with the support of leading Kazakhstani and international companies.

[Almat Daumov](#) and [Samat Daumov](#), Partners of GRATA International in Almaty and Nur-Sultan will represent the firm and speak at the Forum.

Almat Daumov will moderate the first session: *New impetus for the development of metals and mining in Kazakhstan*, as well as a speaker for this session on the topic: "**Legal issues of doing mining business in Kazakhstan and solutions**".

Discussion themes during this session:

- ▶ How long will global commodity prices rise and are there any prerequisites for a new supercycle?
- ▶ Trends in the growth of the cost of mineral production in Kazakhstan with the introduction of alternative energy sources, low-carbon tariffs and ESG standards.
- ▶ Mining strategies and sustainability programs in a changing environment.
- ▶ Achievements, prospects, and constraints of digital transformation Kazakhstan's mining industry.
- ▶ The national project of the development of the geological industry until 2030 in action.
- ▶ Public and private investment in the exploration in Kazakhstan. Review of the major mineral exploration projects and prospects for significant discoveries.
- ▶ What incentives the state offers to intensify exploration and development of new deposits?
- ▶ What changes to current business models are planned by the Government of Kazakhstan for attracting national and foreign investors in the mineral exploration sector?
- ▶ Creation of an open digital database of geological information in Kazakhstan. What's new?
