GRATA International: Personal data of the employee: what you need to know?

In the age of rapid development of information technology, the importance of protecting the personal data of citizens comes to the fore. In many countries, the protection of personal data is regulated by national legislation, and liability up to criminal liability is provided for the dissemination of personal data without the consent of the subject. Given the importance of this topic, especially for employers, GRATA International decided to hold an online conference on the **"Features of working with personal data of employees in the following jurisdictions: Azerbaijan, Armenia, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Russia, Uzbekistan"**.

Date: **8 December 2022.**

Time: **7 AM CET time.**

Language of the conference: **Russian and English.**

For more details about speakers and time, please see the program [here](#).
