GRATA International together with the law firm Kept will hold a webinar on tax issues

On January 30, 2024, **GRATA International**, in collaboration with the **Kept law firm**, will hold a webinar on **tax issues**. The webinar, titled 'Managing the Tax Efficiency of International Structures in the New Year: Top 15 Tax Changes - 2024,' will address the numerous changes in 2023 that impact international structures. The focus of the webinar will be on adapting business and personal asset structures to these changes.

Lyazzat Zhilkibagarova, Senior Associate of the Tax and Customs Law Department at **GRATA International** in Kazakhstan, will present on the topic: '[Changes in the Tax Code of the Republic of Kazakhstan.](#)'

- **Time:** 1:00 PM (Astana time) | 10:00 AM (Moscow time).
- **Format:** Online
- **Language of the webinar:** Russian

During the webinar, speakers will discuss practical examples and answer participants' questions.

Participation is free.
