GRATA International will be a speaker at the Anti-Counterfeiting Forum 2023

On **October 5-6, 2023**, the XI International Forum "Anti-counterfeiting-2023" will be held in St. Petersburg.

The forum serves as the primary discussion platform of the Eurasian Economic Union, where government and business representatives discuss issues related to protecting the market from counterfeiting, legal regulations in the field of standardization and certification, as well as the protection of intellectual property rights.

The main goal of the forum is to exchange experiences in the practical application of legislation, showcase successful projects, and develop joint solutions to form a civilized market for goods and services in the EAEU countries.

[Timur Berekmoinov](#), Counsel at GRATA International Almaty office, will participate in the session: "Society against counterfeiting. Literacy as a key factor in the efficiency of the EAEU consumer market".

The event will also include an exhibition, a Youth Forum, and a rich cultural program.

For more information about the Forum, you can visit the website at the following [link](#).
