GRATA International will hold a webinar: Opening a business in Armenia

On July 14, 2022, a webinar: "Opening a business in Armenia" will be held.

Time: **11:00-12:00 (Yerevan time)**.

Language is - English.

Webinar speaker will be [Nune Hayrapetyan](#).

Nune focuses on merger and acquisition deals, also specializes in administrative disputes with regulatory state institutions and actively consults regarding the legal issues in the sphere of construction.

Together with the professional practice is actively involved in scientific activity and teaching. She holds a teaching position at the Chair of Criminal Law of Yerevan State University. Is the author of 4 scientific articles.

During the webinar, Nune will cover the following questions:

- ▶ Establishment of a company in Armenia (including the establishment of a subsidiary by a Russian or foreign company);
- ▶ Taxation of business in Armenia;
- ▶ Features of migration policy and registration of labor relations with foreign citizens.

The webinar may be of interest to business owners who wish to learn about the opportunities and regulation of entrepreneurial activity in Armenia.

Participation is free.
