GRATA International law firm is hosting a seminar on Doing Business in Mongolia

Modern Mongolia is a politically stable state with a fairly high level of economy. The country is actively developing the mining and processing industries, mechanical engineering, as well as the construction sector.

Establishing a business in Mongolia is a promising idea for launching an international business in 2021.

Aspiring entrepreneurs, who plan to open a business will have opportunities for the development of any type of business. Assuming that the state is still at an average level of development, and many profitable projects are proposed for a start-up or expansion of an existing business.

In this regard, we invite you to participate in our online seminar, which will be held on **May 27, 2021**.

Speakers:

- ▶ Bolormaa Volodya - Partner of GRATA Mongolia.
- ▶ Buyanjargal Tungalag - Associate of GRATA Mongolia.
- ▶ Solongo Gansukh - Associate of GRATA Mongolia.
