Bakhyt Tukulov, partner of GRATA International will take part on the Conference devoted to recent trends of international arbitration

On January 20, 2020, the Conference on the topic: “What makes international arbitration user-friendly?” will be held at the Hotel Intercontinental in Almaty.

The main issues of event:

- 1) The main trends in International Arbitration
- 2) Current status & prospects in Kazakhstan
- 3) The international business view: navigating foreign seats , laws and rules
- 4) Enforcement in Kazakhstan and internationally

Bakhyt Tukulov, partner of GRATA International, will participate as a speaker in session: “Effective dispute resolution for better business: the role of local laws and institutions” and as a moderator in session: “Cost-saving tools in international arbitration”.

The conference will be supported by the Embassy of Sweden in Kazakhstan and the Swedish Mannheimer Swartling law firm.
