GRATA International was noted in the results of the research "Legal market leaders-2020" by "Kommersant" publishing house

"Kommersant" publishing house published the results of the research "leaders of the legal services market-2020". The Integrated office of GRATA International Saint Petersburg was awarded in three categories at once:

- 1) *Labor and migration law - Top 15*
- 2) *Tax law: consultations on tax legislation - Band 2*

In addition, Mikhail Herman, head of the dispute resolution Department and head of the Labor law practice at GRATA International St. Petersburg, was included in the top 5 of the individual rating of lawyers in the field of labor law.

"Kommersant" publishing house - the leading business publication in the Russian Federation, conducts an annual study of the legal services market in order to identify leaders in the categories "Best legal practices", "Best industry practices" and "Individual rating of leading lawyers".
