On approval of the Regulation on the tender commission for public-private partnership projects

Regulation on Tender Commission for Public-Private Partnership Projects having been approved, defines the procedure of formation, activities and authorities of the Tender Commission for Public-Private Partnership Projects, as well as establishes qualification requirements for its members.

The Ministry of Economy of the Kyrgyz Republic has been instructed to create within one month an open database of implemented and potential public-private partnership projects and approve the rules of its maintenance, as well as approve the form of reporting on the progress of public-private partnership projects.

State partners, whose projects will be included in the database of ongoing and potential public-private partnership projects, have been instructed to submit quarterly reports on progress in implementing public-private partnership projects to the State Institution "Public-Private Partnership Center" under the Ministry of Economy of the Kyrgyz Republic according to the relevant reporting form.

The Resolution shall become effective upon expiry of the ten days period from the date of official publication.
