Pro Bono: GRATA International acted as legal adviser to the Republican Physics and Mathematics School NJSC

Pro Bono: GRATA International acted as legal adviser

GRATA International Law Firm has advised the Republican Physics and Mathematics School (RPMS) on state procurement and legal aspects of construction of a new school building.

Republican Physics and Mathematics School (RPMS) is a leading educational institution in the Republic of Kazakhstan engaged in secondary education in the area of physics and mathematics since 1972.

The project has been supervised by Bakhyt Tukulov, Director of Litigation Department. Advising has been provided on pro bono basis.
