Development Bank of Kazakhstan approved GRATA International's application for accreditation

Development Bank of Kazakhstan approved GRATA International's application for accreditation

On January 31, 2017 GRATA International received accreditation from Development Bank of Kazakhstan (DBK) for conducting legal due diligence of investment projects.

The goal of DBK is to improve and increase efficiency of governmental investment activities and to assist and attract investment in the economy of Kazakhstan.

With this decision the credit committee of DBK demonstrates trust and acknowledges the status of the firm as one of the leading players in the legal market of Kazakhstan. GRATA International is glad to welcome this cooperation and mutual projects aimed at boosting Kazakhstan's economic development.

GRATA International has also been acting as a trusted legal advisor to a number of other development banks, including European Bank for Reconstruction and Development, Asian Development Bank, International Finance Corporation and Islamic Development Bank.
