It is planned to open a Center for the development of e-government in Uzbekistan

In January 2020, a Center for the development of e-government is planned to open in Uzbekistan. The Republic of Korea allocates USD 2 million for this project, according to the Decree of the President of the Republic of Uzbekistan "On measures to further expanding and strengthening of cooperation between the Republic of Uzbekistan and the Republic of Korea," and the framework of an agreement between National agency of project management under the President of the Republic of Uzbekistan and Ministry of Public Administration and Security of the Republic of Korea.
