GRATA Azerbaijan participated in International Workshop on Waste Management Practices

The International Workshop on Waste Management Practices took place in Baku Expo Center on 14th November, 2019.

This event was organised by the International Workshop on Waste Management Practices in cooperation with the Ministry of Ecology and Natural Resources of the Republic of Azerbaijan on “Azerbaijan without Waste”.

The workshop was a chance to discuss the important topics such as new perspectives of Environmental Policy in Azerbaijan. The opening speech of the event was delivered by Mr. Mukhtar Babayev, Minister of Ecology and Natural Resources of the Republic of Azerbaijan.

GRATA Azerbaijan was represented by Sabina Gasimova (BDM).
