# GRATA Beijing participated in the SCO International Conference in the People's Republic of China

On December 21, 2021, the SCO International Conference was held in Beijing on the topic "The role and opportunity of the Central Asian countries in provision of organic and ecological products through the implementation of advanced technologies."

The Conference was organized to develop an investment cooperation within the SCO framework. The organizers were the SCO Secretariat, the Embassies of the countries of Central Asia and the PRC.

The Conference program included the presentations and speeches of the advisers on trade and economic matters of the Embassies of the Republic of Kazakhstan, Tajikistan, Kyrgyz Republic, Uzbekistan, representatives of the diplomatic corps of the SCO member states, observer states to the SCO, SCO "dialogue partners", business structures accredited in the PRC.

Speeches were also made by the President of the Chinese Overseas Development Association He Zhen Wei, the SCO Secretary-General V. Norov, the head of the Administrative Committee of the Yangling Demonstration Zone, representatives of Datang company on the role and capabilities of the Central Asian countries in providing organic and ecological products through the introduction of advanced technologies.

Gulnur Nurkeeva, Partner and Head of GRATA Beijing Office, took an active part in the Conference and held effective business meetings with representatives of the Embassies and business structures.
