GRATA International Almaty office took part in Speed Networking organized by KIMEP Law school in cooperation with KIMEP Career Center

On October 28, 2022, a Speed Networking event was held in Almaty at the KIMEP building.

SPEED NETWORKING event is a popular format in America; a useful tool for establishing initial contacts, meeting potential partners, and for companies - another effective way for company branding.

The purpose of this event is to help establish connections (networking) between students and companies actively looking for talent.

Saule Akhmetova, Partner and Director of GRATA Almaty office took part in this event, and also noted a responsible approach of some students to the preparation of the event, good training of young lawyers.

Also, 20 companies and 20 best students of the Law School of the last year of study took part in the event.
