GRATA International Astana held the semi-annual reporting conference

On August 4, 2023, the annual GRATA International reporting conference on the results of work for the first half of 2023 was held in Astana.

The conference was attended by colleagues from Astana, Almaty, Atyrau, Aktau and Beijing offices.

The conference program included reports from Astana, Aktau, Atyrau offices, where the current issues of office development and plans for the next half-year were discussed.

As part of the exchange of experience, lecturers at the conference were:

- ▶ [Shahrukh Usmanov](#) with the topic "Relationship manager's work (sales, communication with clients, practical tips on working with major clients)";
- ▶ [Vyacheslav Khorovsky](#) with the topic "Quality of document preparation".

An external lecturer, Layla Uzakova, was also invited to speak on "Effective time management".

Based on the results of work, the positions of Adviser received:

- ▶ Ruslan Byurabekov (Astana)
- ▶ [Akzhan Sargaskayeva](#) (Beijing)
