GRATA International in Azerbaijan held a webinar on: "Doing Business"

On **February 3, 2022**, the online webinar on Doing Business in Azerbaijan was held, which covered issues from the corporate, labor, migration and tax points of view of doing business.

Ummi Jalilova, Managing Partner, covered issues of state guarantees, classification of legal entities, legal forms of doing business and company registration. [Read more here](#)

Shabnam Sadigova Huseynova, Senior Associate, covered the issues of labor law: the procedure for entering into an Employment contract, procedures employing foreign nationals, documentation requirements for termination. [Read more here](#)

Royal Ibrahimli, Associate, covered the issues of taxation: tax regulation, VAT tax regime, double taxation. [Read more here](#)

Fatima Eyyub, Junior Associate, covered the issues of financial and currency regulation: subjects of currency transactions, currency control, repatriation requirements. [Read more here](#)

At the end of the webinar, the speakers answered questions from the audience.

The recording of the webinar is available on our [YouTube channel](#).
