GRATA International became a Mondaq Contributor With Most Reader Response In Russian Federation

GRATA International became a Mondaq Contributor

During the Month of January 2018 GRATA International (Russian Federation) generated the most usage from Mondaq users for the category of commercial law.

At the end of every month, for each country, Mondaq analyses which articles elicited the most reader response from Mondaq registered business readers: 'The Most Reader Response'. Reader response is based on readers who have emailed the contributor as a result of reading the article, gone from the article to the contributor's website or address details, or provided a qualitative ranking for the article as to how useful they found it. The reader may have come upon the article either on the Mondaq site, www.mondaq.com, via personalised newsletters, or via one of the Mondaq feeds to 3rd party sites. All readership for this article consists of real, identified individuals and no anonymous readers are included in the conferral of this award.

Mondaq is one of the world's most comprehensive online resources of professionals' expertise and knowledge. Since 1994 they have been working with leading professional advisers the world over to deliver insight, opinion and commentary on legal, regulatory and financial topics across every continent.
