# GRATA International held an online conference on the topic: Personal data of employees

On **December 8, 2022**, an international online conference on the topic: "Features of working with personal data of employees in GRATA jurisdictions: Azerbaijan, Armenia, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Russia" was held.

The conference was opened with a welcoming speech by the moderators **Mikhail German**, Partner, and **Nanuka Chkuaseli**, Senior Associate and was held in two sessions in Russian and English.

The speakers shared their experience on the personal data of employees in their jurisdictions and answered questions of interest to the audience.
