GRATA International gave a presentation at the World Initiative of Mining Lawyers annual conference

GRATA International at World Initiative of Mining Lawyers annual conference

On June 27, 2018 Managing Partner of GRATA International’s Uzbekistan office Bakhodir Jabborov gave a presentation at the World Initiative of Mining Lawyers annual conference in Sintra, Portugal (www.wiomi.com) on *Recent regulatory changes in simplifying access of the foreign investors in the mining industry of the Republic of Uzbekistan*, and briefed the participants on recent developments in the mining sector and the large-scale political, economic, financial and social reforms that are being implemented in the country. The presentation has raised lively interest of the conference participants and closed by questions and answers session.

Representatives of the leading international laws firms from different parts of the world have also presented at the conference on important issues in regulating the subsoil use.
