GRATA International hosted Conference in Turkey

On October 13-14, 2023, GRATA International held a conference "Office growth and Integration 2023" in Belek, Turkey with the participation of more than 80 colleagues from 17 jurisdictions, strengthening cohesion and synergy within the international network.

During the conference, the participants had the opportunity to listen to interesting reports from Partners from all offices, discuss current issues in the framework of panel sessions, share their experiences and simply communicate in an informal setting.

The GRATA International Conference is a significant event in which colleagues from different offices can get to know each other better, discuss the possibilities of potential cooperation and business development. Such meetings have a positive impact on professional relations and the development of our global network as a whole.
