The team in Tbilisi is acclaimed by leading rankings, such as Legal 500 and Chambers&Partners. Partners Sofia Roinishvili, Irakli Kordzakhia and David Patariaia have been noted for legal expertise and their dedication to meet the client's needs and to work with them.

Akhmetzhan Abdullayev, Member of the Global Board GRATA International: "During the implementation of GRATA International's expansion strategy, we realized that new members should not only focus on the short-term benefits of cooperation but understand the full scale of long-term prospects. Our Georgian colleagues have this understanding, and we are happy that they had made this important strategic decision to continue this journey together with other members of our dynamic network."

Sofia Roinishvili, Partner, GRATA International Georgia: "Our firm has been active in Georgia since 1999. In 2016, we started our cooperation with GRATA International as an associate office. Consequently, we have decided to intensify our cooperation and continue working under a single brand. Combining our efforts will give our lawyers a unique opportunity for professional growth and experience sharing, which will serve as a basis for high-quality legal services to our clients."
