GRATA International Kazakhstan took part in the International Oil & Gas conference KIOGE-2022

On September 28-29, 2022, the 28th international exhibition and conference KIOGE-2022 was held in Almaty. The theme of this year's conference is New scenarios for the development of the oil and gas industry in Kazakhstan.

Almat Daumov, Partner of GRATA International, Almaty, moderated the second session on September 29: Exploration and production: Identification and realization of oil and gas opportunities in Kazakhstan. And also acted as a speaker of this section with the topic: "Issues of the stability of the legal regime and state policy regarding oil and gas projects in Kazakhstan».

Zaira Sarsenova, Partner of GRATA International, Atyrau and **Danil Gavrin**, Senior Associate of GRATA International Almaty took part as conference delegates.

The conference brought together representatives of the state and business, where they discussed current problems and possible solutions. Traditionally, the event brought together thousands of participants and hundreds of participating companies.
