GRATA International participated at the First Legal Forum EU-Eastern Partnership in Warsaw

On May 25-26, 2023 the First Legal Forum EU-Eastern Partnership was held in Warsaw, Poland.

The First Legal Forum EU-Eastern Partnership was created as a new platform for constructive dialogue between law firm partners, heads of legal departments of companies and specialists in business development, marketing and promotion of legal services from Europe, the Eastern Partnership and Central Asia and the Caucasus.

Aliya Aralbayeva, Partner at GRATA International UK attended the Forum as a delegate. At the Forum the speakers focused on discussing the current state and prospects of cross-border trade through the prism of economic crises, sanctions, as well as on finding ways of reactivating economic transformation and legal market development in the new world.

The Forum brought together partners from the largest law firms in Europe, Asia and the Caucasus, recognized lawyers working in the international market, heads of domestic legal departments, business development experts and specialists in the area of finance. GRATA International was the only firm with offices in Central Asia to be represented at the Forum.
