GRATA International participated in Baku Build International Construction Exhibition

GRATA International participated in Baku Build International Construction Exhibition

On 23-26 October, Baku Expo Centre hosted the BakuBuild Azerbaijan 2018 exhibition which is one of the most significant events in the area of construction, design and architecture.

One of the most popular and well-attended events, BakuBuild Azerbaijan has been a unique platform for many years; it brings together professionals of the industry and displays all the latest innovations. This year's BakuBuild exhibition attended more than 250 leading companies from over 20 countries such as Azerbaijan, Greece, Canada, China, Turkey, Ukraine, Russia, Slovenia, USA and other.

The BakuBuild Azerbaijan Exhibition brought new technologies, new contacts and partners, and gave an additional impetus to the development of the country's construction sector.

GRATA International in Baku, Azerbaijan was represented by Sabina Gasimova (BDM).
