GRATA International in Georgia

GRATA International in Georgia

GRATA International is pleased to announce the opening of a foreign desk in Georgia.

Georgia is one of the world's fastest-growing economies and is an attractive destination for inbound investment and, increasingly, a source of deal activity globally.

In 2015, GRATA International set up a Georgia desk staffed with both qualified foreign legal attorneys and local Georgian lawyers. All are fully acquainted with and experienced in Georgia's laws and legal system.

GRATA International has earned international recognition for its expertise in the area of foreign investments, M&A, capital markets, project finance and financial transactions in the former USSR region.

The ability to provide value-for-money legal services and understanding the local cultures of the Central Asia and Caucasus regions are some of our main strengths.

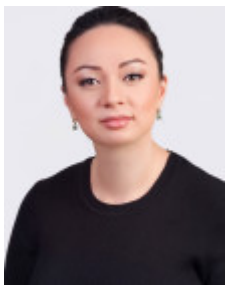

Almaty-based finance Partner Marina Kahiani leads the Georgia desk with the assistance of Tbilisi-based Of-Counsel Tamuna Chelidze, who is a highly experienced Georgian lawyer.

The Georgia desk is a logical step for GRATA International, which is the leading international law firm in CIS and Caucasus with offices and representatives in [Kazakhstan](#), [Azerbaijan](#), [Kyrgyzstan](#), [Tajikistan](#), [Turkmenistan](#), [Belarus](#), [Russia](#) and [Uzbekistan](#).
