GRATA International will participate at the 13th Astana Mining & Metallurgy Congress

On June 1-2, 2023, the 13th Astana Mining & Metallurgy Congress will be held in Astana.

Astana Mining & Metallurgy Congress is one of the large-scale events in the mining and metallurgical industry. As a part of the AMM, B2B and G2B meetings will be held with the most significant companies-subsoil users and representatives of state structures of Kazakhstan, as well as there will be an exhibition, networking and the Golden Hephaestus industry contest.

Almat Daumov, Partner of the Almaty office at GRATA International will be a moderator and speaker of the session on geology focusing on «Mechanisms for the provision of deposits, compliance with environmental standards and the introduction of new technologies.» During the session, he will cover on "Obtaining a license for exploration and a license for the extraction of solid minerals: practical recommendations.»

Samat Daumov, Partner of the Astana office at GRATA International will be participating as a delegate.

More information about the event can be found on the website: <https://amm.kz/ru/forum/doklady>
