GRATA International held another working group meeting on Personal Data in Kazakhstan

On June 11, 2021, the GRATA International law firm held the working group on the topic: "Overview and discussion of forthcoming changes to personal data protection legislation" at the Chamber of Commerce and Industry of France-Kazakhstan.

The speakers of the meeting were: Leila Makhmetova - Partner; Zarina Malikova - Associate of GRATA International, Almaty.

The meeting discussed such issues as:

- ▶ List of normative legal acts, which are planned to be amended.
- ▶ State registration of rights to real estate.
- ▶ The right to own image.
- ▶ Service for controlling access to personal data.
- ▶ Key functions of the service.
- ▶ Availability of personal data.

The speakers' presentation can be found [here](#).
