# GRATA International in Pravo.ru-300 International rankings

A leading Russian law firms rating directory Pravo-300 released the results of its first ever research of legal markets of CIS countries. The main goal of Pravo-300 International is to provide an overview of the regional legal market, identify main players and help Russia law firms find reliable partners for projects in the local jurisdictions. [<https://300.pravo.ru/story/229389>]
