GRATA International law firm held a webinar on Goods Marking in the Republic of Kazakhstan

On April 20, 2021, the GRATA International Top Associates held a webinar on: Goods Marking with Means of Identification in the Republic of Kazakhstan.

The speakers were: Urazalina Kamila, Senior Associate, Customs Department and Gavrin Danil, Associate, Industry & Trade Department.

The webinar was moderated by Shakhrukh Usmanov, Partner of the Industry & Trade Department.

The following issues were discussed at the webinar:

- ▶ Goods Marking with Means of Identification.
- ▶ Goods Marking with Means of Identification in EAEU.
- ▶ Basic technological organizational model of the system for goods marking with means of identification in the EAEU.
- ▶ Goods Marking with Means of Identification in the Republic of Kazakhstan.
- ▶ Question-Answer.

The speakers answered the questions of the audience at the end of the webinar.
