100 Elite Lawyers of China

According to the data of the Ministry of Justice of the People's Republic of China, the number of licensed and qualified lawyers in China reached 620,000 in 2022. However, the number of lawyers per capita in China is still relatively low; there are 4.2 lawyers per 10,000 people. Every year, the China Business Law Journal recognizes 150 practicing Chinese lawyers and 100 practicing international lawyers in China.

Earlier in 2021, we announced that [Mrs. Gulnur Nurkeyeva](#), Partner, Head of GRATA International China Office, was recognised as a finalist and was nominated for the title of the Top 100 Elite Lawyers in China. Two years later, Gulnur has not only been nominated, but also distinguished as one of the winners of the prestigious award "The 2022 A-List China's elite 100 lawyers" with the engraving "法律精英," which translates to the «legal elite».

We sincerely congratulate [Gulnur Nurkeyeva](#) on her well-deserved success.
