www.gratanet.com

Dear colleagues,

We are glad to announce that our growing team in Moscow (Russia) has strengthened its litigation practice with the addition of a new Senior Associate Nikolay Volodin joining in August 2020.

Having previously worked in leading Russian law firms (ALRUD and EPAM), Nikolay represented large foreign companies, commercial banks, insurance companies and clients in oil and gas, mining and metal industries.

Nikolay has extensive experience in representing interests of clients in courts, insolvency cases, legal assistance during inspections by government authorities. Nikolay also has represented clients in numerous competition law cases in Russia's Federal Antitrust Service, courts and arbitrations. Additionally, Nikolay has represented insurers in insurance contracts disputes connected to assets in Russia, participated in a series of insurance payout cases, and represented clients in cases related to disputing transactions, real estate property rights, and restoring corporate control. Nikolay is fluent in Russian and English.

Nikolay, we welcome to GRATA International and wish you success in your upcoming projects!
