New fees for state registration (re-registration) and liquidation of legal entities and their branches (representative offices) have been established

New fees for state registration and liquidation of legal entities and their branches

New fees for state registration (re-registration) and liquidation of legal entities and their branches (representative offices) have been established.

The fee for state registration and liquidation of legal entities, branches (representative offices) is one calculation unit. For state re-registration of legal entities, branches (representative offices) a fee of 50 percent of the calculated indicator rate is established.

The Resolution comes into force on January 1, 2019.
