Offline meeting of the Construction & Infrastructure Committee in Astana, Kazakhstan

We are delighted to share highlights from the recent in-person meeting of the *Construction & Infrastructure Committee at the GRATA International Astana office*, held on December 15th. The event brought together representatives from various **GRATA International** offices in Azerbaijan, China, Kazakhstan, Kyrgyzstan, Russia, Turkey and Uzbekistan, fostering valuable discussions on the development of the Construction & Infrastructure sector, collaborative project possibilities, and future work recommendations.

Notably, this meeting coincided with the joyous celebration of the 25th anniversary of the GRATA International Astana office. We extend our heartfelt gratitude to Samat Daumov, Director of the Astana office, and the entire GRATA International Astana team for their warm hospitality and impeccable organization of this memorable event.

On December 16th, the event continued with a Team Building at the Kosshy "Green Park" recreation area. Participants had the opportunity to immerse themselves in the breathtaking natural surroundings, recharging their energy for the challenges that lie ahead in the coming year.

We look forward to future meetings and new opportunities!
