# On Approval of the Concept of State Policy in the Field of Crime Prevention

Decree of the Cabinet of Ministers of the Kyrgyz Republic dated August 23, 2022 No. 469 approved the Concept of State Policy in the field of crime prevention for 2022-2028. The concept is a system of views on the content, principles and main directions of the state's activities in the field of crime prevention, defines its components and areas of crime prevention activities for 2022-2028.
