# On approval of the Regulations on the automated information system "Sanarip aimak"

In order to introduce an automation information system in the activities of local governments, the Resolution of the Cabinet of Ministers of the Kyrgyz Republic dated September 2, 2022 No. 481 approved the Regulations on the automated information system "Sanarip Aimak".

The regulation defines the main goals, objectives, procedure for formation and functioning, as well as the rights and obligations of participants in the AIS "Sanarip aimak", which is an information system for automating the activities of local governments in the formation and maintenance of AIS "Sanarip aimak" modules to fulfill their competence. AIS ensures the interaction of local governments with each other, as well as with government bodies through a system of interdepartmental electronic interaction.
