On the adoption of the Law of the Kyrgyz Republic "On the Park of Creative Industries"

The adopted Law of the Kyrgyz Republic dated August 8, 2022 No. 88 determines the legal status of the Creative Industries Park, management features and the procedure for its functioning.

According to the Law, the creative industry is a type of economic activity based on creativity and the creation of intellectual property products using talent, innovation, technology, cultural heritage, which results in a product, work, service of economic value.

The purpose of the Law of the Kyrgyz Republic "On the Park of Creative Industries" is to create a legal framework for the functioning of a special regime for the activities of entrepreneurs engaged in creative activities.
