On the adoption of the Resolution On Amendments to the Resolution of the Board of the National Bank of the Kyrgyz Republic

The relevant changes were made in order to reduce barriers to the introduction of innovative services/technologies in the market of banking and payment systems by existing and new players. Changes were made in terms of specifying the content of applications submitted to expand the range of innovative financial services provided in the Kyrgyz Republic, clarifying the criteria and optimizing the resources for testing financial services in general, which should affect the effectiveness of the mechanism of special regulatory regimes.
