Partner of GRATA International Uzbekistan Nodir Yuldashev gave an interview to the journal of the AIAC

On December 31, the journal of the Asian International Arbitration Center (Malaysia), dedicated to online opportunities for the development of arbitration in Asian countries, published an interview with the participation of Nodir Yuldashev, Partner of the GRATA International law firm in Uzbekistan.

In the August edition of the AIAC Newsletter, they featured a survey of four emerging arbitration jurisdictions in the Asia Pacific, namely Malaysia, the Philippines, Thailand, and Vietnam. The purpose of surveying such jurisdictions is to understand global developments in arbitration and the efforts made by lesser-known jurisdictions to reposition themselves as emerging centres ready to have a piece of the proverbial “arbitration pie”.
