Regulations governing the implementation of labor activities by foreigners / stateless persons within the territory of the Kyrgyz Republic

Regulations governing the implementation of labor activities by foreigners

In accordance with the adopted resolution, the Regulations on the Procedure for the Implementation of Labor Activities by Foreign Citizens and Stateless Persons within the Territory of the Kyrgyz Republic and the Regulations on the Procedure for Employment Activities of Citizens of the Kyrgyz Republic Abroad were approved.

In turn, the Regulation on the order of labor activity by foreign citizens and stateless persons within the territory of the Kyrgyz Republic determines the procedure and conditions for the implementation of labor activity by foreign citizens and stateless persons during their stay in the territory of the Kyrgyz Republic in order to carry out labor activities and the Regulation on the employment of citizens of the Kyrgyz Republic abroad establishes the procedure for organizing the activities of legal entities and individuals to assist in employment of citizens of the Kyrgyz Republic abroad.

The resolution comes into force upon the expiry of 15 days from the date of its official publication.
