The Day of Free Consultations

The Day of Free Consultations

In support of small and medium-sized business, GRATA International Law Firm International and GRATA Accounting in cooperation with Atyrau National Chamber of Commerce are glad to announce The Day of Free Consultations.

Small and medium-sized business will have a chance to receive qualified legal, accounting and tax assistance on the following issues:

- **Labour law** (legal consultations on: change of working conditions; collective agreements; foreign labour recruitment; termination of the labour agreement; labour inspection; work permits and migration);
- **Corporate Law** (legal consultations on: resolution of corporate disputes between shareholders of LLP; relationship between the participants of joint ventures; registration, re-registration, liquidation of LLP; alienation of a share by participant of LLP; change of the first head of the legal entities, branches, representative offices; other issues);
- **Contract law** (legal consultations on: preparation, execution and performance of commercial contracts; commercial aspects of public-private partnership; participation in tenders; confidentiality agreement; special economic zones; insurance), etc.
- **Licenses and Permits** (legal consultations on: obtainment, reissuing of licenses and permits of various categories);
- **Accounting and tax consulting** (consulting on accounting and financial questions; consulting on tax questions).

Date: August 1, 2016

Time: 10am

Venue: Atyrau, Satpayev street, 78. National Chamber of Commerce office
