The first offline meeting of the “Banking & Finance” Committee in Uzbekistan

From May 16th to 18th, the city of Samarkand hosted the annual meeting and business forum of the European Bank for Reconstruction and Development (EBRD), attracting representatives from various countries. The main objective of the event was to engage in discussions on critical matters related to economic development and investments.

Furthermore, on May 19th, the first offline session of the "Banking and Finance" industry committee took place in Tashkent, with participation from GRATA International office representatives from different countries, including Azerbaijan, Belarus, Kazakhstan, China, Kyrgyzstan, Russia, Turkey, and Uzbekistan. This session provided an excellent platform for colleagues to discuss significant aspects of the banking and finance sector's growth, share experiences, ideas, and knowledge, and present their future plans.

In conclusion, on May 20th, the corporate team-building event organized by GRATA International was held at the picturesque "Amirsay" resort, nestled in the scenic foothills of the Chatkal Range in the western part of the Tian Shan mountains. Participants had the opportunity to immerse themselves in the beauty of nature and enjoy a sense of unity within the team. Such events not only allow us to address current issues but also strengthen relationships among colleagues and foster team cohesion. We take great pride in our team and would like to express our heartfelt gratitude to all participants for their valuable contributions and support. Together, we continue to move forward, reaching new heights!
