# The GRATA International Kazakhstan Tax Law team has been recognized by the prestigious International Tax Review (ITR) World Tax 2024 rating

GRATA International confirmed its reputation as one of the key players in Kazakhstan in tax practice and was ranked in Tier 2.

The ITR (International Tax Review) World Tax Rating provides a comprehensive guide to the world's leading tax and transfer pricing firms and leaders, reviewing entries from over 140 different jurisdictions.

This recognition confirms the high level of professionalism of our tax team, which consists of specialists with solid work experience in the tax authorities. This allows our firm to give clients not only correct, but also practically applicable advice.

Earlier this year, in April, another prestigious international rating Legal 500 ranked the tax and customs practice team of GRATA International in Kazakhstan in Tier 1. The head of the practice, [Assel Ilyassova](#), was recognized as a Leading Individual. The team has been noted for providing "timely, qualified responses to [client] requests. If necessary, the team takes an active role in [client's] meetings to clarify the questions. Most recently, the team conducted training for [client's] company on the topic of anti-corruption law, which was very interesting and useful."
