Askar Konysbayev promoted to the position of Head of the Litigation Department

We are pleased to announce the promotion of [Askar Konysbayev](#) to the position of Head of the Litigation Department of GRATA International (Kazakhstan, Almaty) from 1 June 2020.

Askar Konysbayev is a Partner at GRATA International. He represents clients in a wide range of issues with a particular focus on litigation, international and domestic arbitration. He has represented clients in a number of commercial and corporate disputes concerning proprietary rights of the shareholders, breaches of contractual duties, as well as construction and real estate matters and many others. Currently, he also acts as an arbitrator in the Atameken Arbitration Center at the National Chamber of Entrepreneurs.

Askar has actively engaged in the major complex litigation projects of the Firm.

He has greatly contributed to the development of the practice; he has represented the firm at various events with the participation of international companies and investors where he has delivered reports on the issues of judicial and arbitration practices.

Big goals and objectives are ahead!
